

Friends of the Trees Botanicals 2020 Catalog Fresh & Dry Herbs

Our 25th year anniversary! We are based on the Olympic Peninsula, Pacific Northwest, North America. We offer a large variety of botanicals that we personally cultivate and wildcraft. Our wildcrafted botanicals are sustainably gathered to maintain healthy plant populations. We wildcraft in Washington, Idaho and Northwest Montana.

A brief description of our growing practices: The herb plantings at Friends of the Trees Botanicals are agroforestry systems, which include a wide diversity of trees, shrubs, hedgerows, medicinal herbs, berries, vegetables and culinary herbs. Michael Pilarski has been farming organically since 1972. We are in the process of getting Organic Certification this year. Currently our botanicals are not certified organic, but they are grown with NO chemical fertilizers or pesticides. We use cultural practices and natural fertilizers to build soil. Our goal is healthy plants, a healthy ecosystem and good yields. We have a reputation for delivering the highest quality fresh and dried botanicals available.

Our primary focus remains fresh plant material. Customers are encouraged to order well in advance because we primarily produce orders on a custom basis. We typically take most of our orders for the year between January - April, and fill them on a "first come first served" basis. Because of our small business scale, we can only produce so much of a given herb, and therefore cannot always fill last-minute requests.

cu = cultivated crop wc = wildcrafted

Looking for anything not on our list? Let us know as we are in touch with other herb growers and wildcrafters.

Here are other herbs we have worked with.

Inquire about availability and pricing:

Alder catkins
 Agastache urticifolia
 Apocynum androsaemifolium
 Alfalfa
 Arnica fulgens
 Birch twigs & leaves
 Bittersweet Nightshade (*Solanum dulcamara*)
 Bleeding Heart (*Dicentra formosa*)
 Cascara (*Rhamnus purshiana*)
 Chamomile

Cow Parsnip (*Heracleum lanata*)

Cymopterus terebinthinus
 Foxglove
 Lobelia
 Monarda didyma
 Orris root
 Pearly Everlasting (*Anaphalis margaritacea*)
 Potentilla
 Vinca minor, Vinca major

Wild Ginger (*Asarum canadense*)

Willow bark

WE ALSO SELL:

Herb Seeds, Propagation Material, & Herbal Infused Oils

Price lists are on our website.

EDUCATIONAL OFFERINGS:

Michael Pilarski teaches around the Pacific Northwest on farming and wildcrafting medicinal plants, permaculture, agroforestry, earth repair and related topics as well as leading plant walks. Check out our website and Facebook for his schedule. Would you like Michael to give a workshop in your area or speak at your event? Please reach out. He also offers species surveys for property owners.

2020 UPDATE:

2020 is the 25th anniversary of Friends of the Trees Botanicals! We love what we do! Last year was our biggest year for production and sales yet thanks to our family merger. We are still a small crew- Michael Pilarski, Ashley Kehl, Anna Pallotta, Keyla Beebe and many volunteers/ occasional helpers along the way. Our herb farm is located in Chimacum Washington at the Finnrivier Farm & Cidery. Please come check it out if you're in the area. We are in the process of getting Organic Certification this year. We will be selling herb divisions in the spring. Seed production will increase. Thank you for your support of our business over the years, we look forward to filling your herbal needs in the years to come.

HOW TO ORDER:

Fill out the quick Online Herb Order Form through our website - www.FriendsofTheTrees.net

ALL ORDERS include a \$10 Processing & Handling Fee

PLUS shipping fees are paid by the customer.

We ship UPS, Fedex or USPS. Overnight, 2-day, 3-day or Ground. Per customers preference.

Invoice will be sent via email through Quickbooks once order is shipped with total amount due.

PAYMENT OPTIONS:

When you click to view the invoice from Quickbooks you will have two options to pay online with your card or bank transfer.

PayPal, checks, or postal money orders are also accepted.

Checks/ Money Orders- Make to "Friends of the Trees Botanicals" and send to our Post Office box.

PayPal account- FriendsOfTheTreesBotanicals@gmail.com
